**Subject:** Request for Extension of Stay in Uganda for Study Purposes

Dear Sir/Madam,

I am writing to respectfully request an extension of my stay in Uganda to allow me time to complete the process of enrolling in a recognized academic institution. I am currently exploring available opportunities and have initiated the application process with Makerere University to pursue further studies in IT.

Due to the ongoing administrative and admission procedures, I kindly request additional time to complete my enrollment and formalize my academic plans. I am committed to fulfilling all legal and immigration requirements and will keep your office informed of my progress.

Please find attached any supporting documents relevant to my application and interest in studying in Uganda. I would be grateful for your consideration and am willing to provide any additional information you may require.

Thank you for your time and understanding.

Yours faithfully,

**Mutawakel Ahmed**
